RESPONDENTS

On this 14th day of May 2013

**TO: HIS LORDSHIP THE PRESIDENT AND THEIR LORDSHIPS THE
OTHER JUDGES OF THE COURT OF APPEAL OF THE
DEMOCRATIC SOCIALIST REPUBLIC OF SRI LANKA**

The Petition of the Petitioners above-named appearing by RAJ MOAHAN
BALENDRA practicing in the name style and firm of

SINNADURAI SUNDARALINGAM & BALENDRA

and his Assistants LAWRENCE PATABENDIGE MANOJI SAMANKUMARI and
SHAKILA UDAYANGA SANTIYAGO their Registered Attorneys state as follows:

1. The Petitioners are citizens of the Republic. They own land located within the area described in the notices purporting to be in respect of section 2 of the Land Acquisition Act which appeared on or about 20th April 2013 on several trees in areas just outside the barricades on the Kankesanthurai Road at Tellipallai.

A photograph of a purported notice under section 2 of the Land Acquisition Act signed by the 1st Respondent and affixed to a tree is annexed hereto marked '**P1**' and pleaded as part and parcel hereof.

2. The Petitioners are directly and personally affected by the said purported notice as they are owners of separate and individual parcels of lands situated within the area described in '**P1**'. The Petitioners respectfully seek the permission of Your Lordships' Court to dispense with the requirement to tender the title deeds of the Petitioners other than the 1st Petitioner in view of the very large volume of documentation involved. The Petitioners respectfully state that copies of the title deeds of the other Petitioners will be available with the Registered Attorneys. The Petitioners also seek the indulgence of Court to reserve the right to tender the title deeds if and when required to do so by Court.

A copy of the 1st Petitioner's title deed is annexed hereto marked '**P2**' and pleaded as part and parcel hereof.

3. The 1st Respondent is the Land Acquiring Officer for Jaffna and is principally responsible for issuing the purported notice more fully described hereinafter, and which the Petitioners seek to challenge through the present application. The 2nd Respondent is the Minister for Lands and Land Development, under whose direction the 1st Respondent is empowered to issue notices under section 2 of the Land Development Act. The 3rd Respondent is the Land Survey Officer, Jaffna District who is empowered by the said notice to carry out certain functions.
4. The Petitioners state that on or about 20th April 2013, several notices in the Tamil language alone purporting to be notices under section 2 of the Land Acquisition Act were posted in the manner and place described in paragraph 1 of this Petition.
5. The Petitioners state that the said purported notices were dated 27th April 2013, even though they were made several days prior to the date on the said notice!

6. The Petitioners state that the said notices state in Tamil, *inter alia*, that ‘one land in the schedule provided herein below is required for a public purpose’ and describes the area subject to the purported notice to be 6381 acres, 38.97 perches and goes on to describe the reason for the supposed land requirement as ‘Defence Battalion Headquarters [Jaffna]- Regularising handover of area on which High Security Zone [Palaly and Kankesanthurai] is established.’
7. The Petitioners state that the extent of the area indicated is a massive amount, constituting approximately 25.8 square kilometres. It is therefore more than two-thirds the entire land area on which Colombo City – which spans an area of 37.21 kilometres squared – is established.

A copy of a map of the Colombo area with approximately 6384 acres depicted as the extent enclosed within three marker points is annexed to this Petition marked ‘**P3**’ and is pleaded as part and parcel hereof.

8. The Petitioners state that they own substantial tracts of land that fall within the area specified in the purported notice ‘**P1**’. The Petitioners were displaced from their lands during the war, and after the cessation of hostilities the Petitioners sought to return to their private lands. However, regrettably, the Petitioners were unlawfully and wrongfully prevented from returning to their lands, including by the erection of barbed wire fences and barricades manned by armed forces personnel.

NO PUBLIC PURPOSE

9. The Petitioners state that the purported notices are unlawful in that the said notices refer to “regularising handover of area on which High Security Zone [Palaly and Kankesanthurai] is established” despite the lands within the area specified in the notice not forming part of any High Security Zone recognised by law.

10. The Petitioner are advised to state that in any event, with the lapse of the state of emergency in 2011, all previously existing High Security Zones established by Emergency Regulations also ceased to exist.

11. The Petitioners state, therefore, that no public purpose is served by the acquisition of any land in the Jaffna peninsula for regularising “handover of area on which High Security Zone is established,” since no such Zones ever existed or continue to exist.

INTERNAL INCONSISTENCY AND INCONSISTENCY WITH SECTION 4 OF THE LAND ACQUISITION ACT

12. The Petitioners state that while paragraph 1 of the purported notice ‘P1’ states that the Minister has directed that “a land” in the “area” indicated in the Schedule is necessary for a public purpose, paragraph 3 which sets out the purpose of the intended acquisition states “Defence Battalion Headquarters [Jaffna] - Regularising handover of area on which High Security Zone [Palaly and Kankesanthurai] is established.”

13. The Petitioners state further that while paragraph 1 of the purported notice ‘P1’ states that the Minister has directed that “a land” in the “area” indicated in the Schedule is necessary for a public purpose, paragraph 2 which contains such Schedule describes the area contained in such schedule as “a land”.

14. Thus and otherwise, paragraph 3 of ‘P1’ indicates that the entirety of the land described in the schedule would be acquired for the purposes set out therein.

15. Thus, the Petitioners state that paragraph 1 of ‘P1’, which indicates that “a land” within the area indicated in the schedule is necessary for a public purpose, is inconsistent with paragraph 2 of ‘P1’ which identifies the entirety of the area contained in the schedule as “a land”.

16. Further, the Petitioners state that paragraph 1 of ‘P1’ which indicates that “a land” within the area indicated in the schedule is necessary for a public purpose, is also inconsistent with paragraph 3, which indicates a purpose that by necessary implication contemplates the acquisition of the entire area referred to in paragraph 1 and 2, and not merely “a land” within such area.
17. Thus and otherwise, the Petitioners are advised to state that ‘P1’ is self-contradictory in nature, and is therefore irrational, unreasonable, arbitrary and capricious.
18. The Petitioners state that section 4 of the Land Acquisition Act contemplates only a “particular land” within the larger area indicated in a section 2 notice being acquired. Therefore, since paragraphs 2 and 3 of ‘P1’ indicate that the entire area indicated in the said notice is to be acquired, the Petitioners are advised to state that these paragraphs – and consequently ‘P1’ in its entirety – are inconsistent with and *ultra vires* section 4 of the Land Acquisition Act.

PARAGRAPH 4 UNREASONABLE AND EVIDENCES INTENTION TO EVADE STATUTORY OBLIGATION TO PROVIDE SECTION 4 NOTICES TO OWNERS

19. The Petitioners state that paragraph 4 of ‘P1’ states “**Person claiming ownership over the land:** cannot be identified”.
20. Without prejudice to the claim that only “a particular land” may be acquired through the process set out in the Land Acquisition Act and not an entire area within which such land is situated, the Petitioners state that there are many thousands of owners – including the Petitioners – of the numerous parcels of land situated within the approximately 6381 acres/25.8 square kilometres specified in paragraph 2 of ‘P1’.
21. The Petitioners have repeatedly interacted with State functionaries and are easily identifiable. Many Petitioners have been listed by the State as “displaced” and consequently received state support while in ‘welfare camps’.

The Petitioners further state that a large number of the Petitioners consequent to their being refused permission to return to their lands yet languish in these 'welfare camps' established by the State.

22. The Petitioners state therefore that it is patently unreasonable for the 1st Respondent to now claim that all of the owners of the several thousands of plots of land situated within the area specified by the Schedule are unidentifiable.
23. The Petitioners state that they reasonably apprehend that the claim in paragraph 4 of '**P1**' is an attempt to evade the statutory duty imposed by section 4 of the Land Acquisition Act which states that:

“Where the Minister considers that a particular land is suitable for a public purpose he shall direct the acquiring officer of the district in which that land is situated to cause a notice in accordance with subsection (3) to be given to the owner or owners of that land and to be exhibited in some conspicuous places on or near that land”

NON-COMPLIANCE WITH MATERIAL STATUTORY PROVISIONS

24. The Petitioners state that section 2(2) of the Land Acquisition Act specifies that the notice referred to in subsection (1) shall be in the Sinhala, Tamil and English languages.
25. The Petitioners state however that the failure of the 1st Respondent to publish '**P1**' in all three languages, and only in the Tamil language, amounts to non-compliance with material statutory provisions, and is therefore illegal.
26. The Petitioners state that in light of the foregoing, the purported notice under section 2 of the Land Acquisition Act marked '**P1**' was occasioned by *mala*

fide, illegal and improper considerations; does not evince a public purpose; is internally contradictory and therefore irrational, unreasonable, arbitrary and capricious; is ultra vires the Land Acquisition Act; evidences an intention to evade statutory obligations to provide notices to owners under section 4 of the Land Acquisition Act; and does not comply with material statutory provisions. Thus, otherwise, the purported notice ‘P1’ is illegal, void *ab initio*, and of no force or effect in law.

27. The Petitioners further state that, grave and irreparable loss, harm and damage would be caused to the Petitioners and to the several owners of the thousands of plots of land situated within the area specified in the Schedule to the purported notice ‘P1’ unless the Respondents are restrained from continuing to act upon the purported notice ‘P1’. The Petitioners further state that implementation of the said purported notice will seriously compromise and erode the rule of law and statutory safeguards. Accordingly, the Petitioners state that unless the interim relief prayed for in this Petition is granted, the final reliefs prayed for in this Petition would be rendered nugatory.
28. The Petitioners make this application on the limited material available by reason of the time constraints imposed by the urgency of seeking the reliefs prayed for. Hence the Petitioners respectfully reserve the right to furnish such further material and/or add such other parties and/or effect such amendments to the Petition as subsequent revelations, disclosures and/or developments may necessitate.
29. The Petitioners have not previously invoked the jurisdiction of Your Lordships’ Court in respect of this matter.
30. The Affidavit of the 1st Petitioner is appended hereto in support of the averments contained herein.
