Amended Report

Deputy Director of Customs,
 No. 40, Main Street,
 Colombo 11.

Amended report is issued for MC/01/14 as requested by Deputy Director of Customs (Central Intelligence), No. 40, Main Street, Colombo 11 with his letter No. CINT/HQB/042/2013 dated 21 April 2014.

Report on the results of the analysis of the contents of a sealed bottle sent by the Deputy Director of Customs, No. 40, Main Street, Colombo 11, with his letter No. CINT/HQB/042/2013 dated 06.02.2014.

The sample was labelled as:

Cusdec. No. T117000 of 05/09/2013
 M/S Sena Mills Refineries (Pvt) Ltd,
 40, New kelani bridge Rd,
 Orugodawaththa, wellampitiya.

"B"

Sample was drawn from the container bearing No APZU 3687590

and contained a yellow coloured semi solid. The following results were obtained

1. Free fatty acid content - 23 percent by mass
 (expressed as palmitic acid)
2. Palm oil content - 73 percent by mass
