

Financial assistance to Meethotamulla victims - The fund launched by Nagananda Kodituwakku, the Public Interest Litigation Activist

Garbage Victims Fund - Account No: 80724205 - Bank of Ceylon, Nugegoda

Concerned Sri Lankans living here and abroad are joining in this humanitarian project launched with an initial personal contribution of Rs 100,000.00 by the activist.

This effort has the objective of forcing the Government to provide a meaningful relief package (not a meager sum of Rs 100,000.00 as promised by government) to the families of those who have lost their precious lives owing the total mismanagement of the disposal of garbage by the successive governments.

Sri Lankans living in California have pledged to donate an equal sum jointly contributed by the MPs (list provided below), who have appropriated huge profits by selling their tax-free car permits; should they join in this fund raising effort.

The collection of funds is due to end on 31st May 2017
